On a regular basis (which can be as often as a few times a week to once a month, depending on the Partner and the amount of funds we disbursed), our Partners are required to send pictures and information about their use of AKI funds. Our grantees (Animal Welfare Organization Grant Program) are selected using a rigorous process where we organize an external review committee to review proposals (in 2025, we had a 13-member review committee, all independent reviewers), the committee's ratings, as well as the proposals are reviewed by the board, and we use technical area experts to supplement this, when needed. The winning grant recipients are required to submit a monthly grant progress report (using the template we provide, which includes text, financial info, and a section for photo documentation) until their grant project is completed (this could be 1 monthly report or as many as 6 monthly reports; all grant projects are required to be completed within 6 months). The Board also visits our Partners and Grantees when possible (as part of other trips, so this is not funded through AKI) and we request our supporters who are visiting to send us brief reports.
