December 2015

[Forward this message to a friend](#)**We need your help to make AKI's wishes for 2016 come true!****1. We wish every dog is as lucky as Goeff.**

Goeff was rescued by Goeffrey at the Uganda SPCA. When Goeff arrived at the USPCA Haven, the wire that had gotten embedded in his mid-section was removed. After about a week, Goeff got a clean bill of health! ("After" photo: right)

**Help make our wish come true: Designate USPCA for your donation. AKI donors provide funds to cover USPCA staff salaries, transport costs, food, vet care and vet supplies, and for other day -to-day USPCA operations.**

**2. We wish all feral cats get the care that this community in Namibia is getting.**

When Namibia's Have A Heart received a request from a group of people in Karibib to hold a spay/neuter clinic for feral cats (photo right: feral community in Karibib), HAH agreed. And AKI agreed to provide the funds for the first ever feral cat spayathon in Karibib.

**Help make our wish come true: With your support, AKI will continue to fund Namibia's SPCAs and HAH to provide care for animals in under-served, rural areas in Namibia.**

**3. We wish that all older dogs at shelters get the love and**

### **care that they do at Save the Animals-Armenia's shelter.**

SA-Armenia is a sanctuary for dogs that have no place to go, dogs that were dumped on the streets of Yerevan, injured and scared. Many dogs now at the shelter are old and need special nutritious food and daily meds (picture right: Oleg, one of the older dogs at the SA sanctuary).

**Help make our wish come true to always be there for the old dogs-and all the dogs-at the SA-Armenia shelter. Your support will provide food, meds, and vet care for the 220 dogs at the shelter so they can enjoy their well-deserved old age.**

### **4. We wish that all street dogs and cats get the love and care that they do in Kingston, Jamaica.**

When this dog was hit by a car, Deborah (Kingston Community Animal Welfare) didn't hesitate. She scooped the dog off the street and got him the vet care he needed-Deborah was able to do this because she knows that AKI donors will be there for her.

**Help make our wish come true: We pledge that in 2016, KCAW will have the funds they need to feed and care for Kingston's street dogs and cats.**

### **For 2016 we also wish that:**

5. Helping Hands for Hounds of Honduras never has to turn down an animal in need on the streets of Tegucigalpa due to lack of funds.

6. Uganda SPCA's cats get a new cattery (photo right is the old cattery; we need to raise about \$1500 to construct a new one).

7. Tanzania Animal Welfare Society can continue to provide care for thousands of working donkeys.

8. AKI can continue to support our other partner organizations, Stray Dogs Bosnia, Foundation Henk Abrahams-Suriname, Ghana SPCA, South Sudan humane educators, and our newest partner organization, Liberia Animal Welfare & Conservation Society, in their priority needs for 2016.

**We believe that strengthening local animal welfare organizations will ultimately bring about real and significant improvements for animals. Won't you help make our wishes for 2016 come true?**

<http://www.animal-kind.org/#!donate/epq2c>

- **When you donate to AKI, we send 100% of your donation to our partner organizations. It's a great way to make an impact on the lives of animals in the poorest countries. Your donation means the difference between life and death; between getting fed...and not; between getting spayed and producing yet another litter of puppies or kittens.**
- **If you'd like, designate one or more of our partner organizations for your donation. Or let us decide how to distribute your donation.**
- **Make a gift donation and we'll send a letter to notify the recipient of your generosity.**
- **Use amazonsmile or Goodshop when you do your online shopping and designate AKI as your recipient charity.**

**Thank you so much for helping animals in some of the poorest countries--they rely on us, they have no one else.**

Wishing you and the animals all the best in 2016,

Karen Menczer, Director  
&  
the AKI Board
